

12VAC/DC COB LED Flame Lamp

- Flame-shaped COB chip, more realistic flame effect
- 12V AC/DC, low voltage safety, ideal for landscape lighting
- 2 lighting modes, Turn off/on to change modes
- Various appearance & socket for choice: E12, E27, G4 etc

G4 Frosted

G4 Transparent

E27

E12

LED Blaze bulbs

Remark:

- Adopts high end Silica Gels
- Customized SMD LEDs
- Customized Constant Current driver solution
 - Dimmable
 - 9-15VAC/DC or 10-30VAC/DC
 - Compatible for different specialized transformers to landscape light
- Suitable for enclosed fixture and Damp location(IP65)
